

Greencore Pension Scheme

Salary Sacrifice – Opt Out Form

If you **do not** wish to participate in salary sacrifice, please read and sign below.

- Please exclude me from the salary sacrifice arrangements. I understand and agree that this means that I will **not** participate in salary sacrifice, thereby **not** gaining the potential advantages available from it.
- I understand that by not participating in salary sacrifice, I will still have the cost of my pension contributions deducted from my gross pay and paid into the scheme as usual.
- I confirm I am aware that, because I am opting out of salary sacrifice now, my opportunity to participate at a later date is not guaranteed.

IMPORTANT:

If you want to participate in the salary sacrifice arrangements, you do not need to do anything. By not returning this form you will automatically be entered into salary sacrifice. You also consent to participate in the scheme and to a corresponding variation to your terms and conditions of employment.

However, if you wish to opt out of salary sacrifice then please return this form to HR Shared Services. You will be opted out at the next available pay period.

You should retain a copy of this form for your own records.
