

HR Shared Services - Service Level Agreement

Objective of the Agreement

The purpose of this SLA is to describe the key services we provide and the quality standards we have agreed with our stakeholders in terms of HR Shared Services delivery.

This Agreement sets out:

- The services we provide to our stakeholders – primarily operational managers, agers, Regional Managers, Heads of, Directors, Site HR Teams, colleagues and external partners
- The overall standard which we aim to achieve in the provision of our services
- A mechanism for resolving any problems relating to the delivery of the service

Future reviews and amendments to this SLA

This agreement will be reviewed on an annual basis as part of the planning and continuous improvement process. Any changes will be agreed with service users and be signed off by all parties involved.

Shared Services - What we are here to do

Our mission within the business is to deliver and maintain a high-quality transactional HR service to operational/support function managers and colleagues. We do this in a number of ways:

- Providing dedicated HR guidance and support through personal contact and technology
- By mitigating risk to the business through ensuring as a business we fulfil legislative requirements
- Managing the colleague journey
- Maintaining personnel data
- Supporting and facilitating organisational change

Our Stakeholders

- Site HR Teams
- Operational Managers across all sites
- Talent Acquisition Teams
- Payroll Teams
- All colleagues
- Suppliers
- External companies
